MEETING NOTICE

For Steering Committee Members And Interested Stakeholders

Wachusett Smart Growth Corridor Analysis

Background: MRPC was awarded \$129,500 by HUD's Community Challenge Grant Program for the development of a Wachusett Smart Growth Corridor Plan. This grant will provide the communities of Fitchburg, Westminster and Leominster with an opportunity to examine and plan for the continued improvement and development of the Wachusett Corridor including the linkage of various means of transportation and planning for future land use, housing, economic development, and open space and recreation opportunities in and around this area.

Date and Time:

Thursday, December 11, 2014 at 1pm

Location:

**CAN-AM Machinery, Inc. 44 Old Princeton
Fitchburg MA, 01420**

Agenda

1:00 PM
