

Montachusett MPO  
2016 RTP

Vision Statement

The Montachusett Metropolitan Planning Organization seeks to provide a multi-modal transportation system that is safe, secure, efficient and affordable to all citizens while maintaining support and encouragement for economic development, growth and revitalization while simultaneously promoting a sustainable, healthy, livable and environmentally sensitive region.

Goals

1. Improve and Maintain Safety and Security
2. Reduce Congestion and Improve Mobility
3. Promote and Seek Equitable Transportation for All
4. Improve System Preservation and Maintenance of All Modes
5. Improve Economic Vitality and Freight Movement
6. Improve Transportation Options and Promote Healthy Modes
7. Reduce Green House Gas and Promote Environmental Practices and Sustainability
